Features Overview

Business Professional Marketplace Edition

DocuSign Business Professional Marketplace Edition is a per-seat subscription for DocuSign Partners to resell. Each seat includes 100 envelopes per year, pooled at the account level, with envelope limits waived during the first year. Minimum order of 2 seats with an annual commitment, allowed to be paid monthly with no cancellation during each 12-month term. All add-on seats purchased after the original order will be pro-rated and co-term with the original order renewal date. Annual auto-renewal may be cancelled at any time up to two weeks prior to the original renewal date. All customers will be provided initial configuration help through self-paced on-demand training. Full Premiere Customer Support is included with all orders.

Key Features:

The Marketplace Edition includes incremental features beyond the Standard Edition.
